Airtel managing director, Charity Lumpa, said: "The Airtel 'Go for it' campaign is offering the youth an exciting, very affordable, high-speed internet service which allows them to make video calls, have quick and easy access to social sites, email; download music quickly and even originate and participate in video blogs.

"We have launched the campaign to motivate the youth so to work towards achieving their dreams and using the mobile internet platform as a means of generating revenue generating activities as emerging entrepreneurs."
