The following hospitals have received full accreditation from the Council for Health Service Accreditation of Southern Africa NPC (COHSASA), a not-for-profit company based in Cape Town.

Name of facility	Type of award	Valid dates	Location
Mediclinic Muelmed	Four Year Full Accreditation	20 May 2016 to 19 May 2020	Arcadia, Tshwane, Gauteng
Mediclinic Medforum	Four Year Full Accreditation	20 May 2016 to 19 May 2020	Sunnyside, Tshwane, Gauteng
Mediclinic Victoria	Three Year Full Accreditation	13 Feb 2015 to 12 Feb 2018	Tongaat, KwaZulu-Natal

The four-year accreditation awards (achieved by Mediclinic Muelmed in Arcadia, Tshwane and Mediclinic Medforum in Sunnyside, Tshwane) indicate that quality methods and compliance with standards are part of everyday operations in these hospitals – quality has been institutionalised because excellence has been maintained over time.

COHSASA has been evaluating healthcare facilities in Africa for the past 21 years. An accreditation award from COHSASA means the healthcare organisation has entered a quality improvement programme and has been assessed against, and met, standards recognised by the International Society for Quality in Health Care (ISQua). It also means that the facilities listed above are well placed to provide safe and quality care to the communities they serve.

COHSASA, its standards and its surveyor training programmes are accredited by the International Society for Quality in Health Care (ISQua), the global body overseeing accreditation and quality improvement programmes in healthcare.
