Tiger Wheel & Tyre has long been recognised as market leaders when it comes to auto-fitment services. As an award-winning brand, boasting 100+ stores across the country, these fitment experts constantly look at ways to offer consumers products and services that save on time, money and hassle.

Bearing testimony to this, Tiger Wheel & Tyre in partnership with Road Protect, introduced the Tiger Advantage Plus programme nearly two years ago. This offered members the opportunity to relish in an array of fantastic benefits, by, ultimately, taking the hassle out of the admin where automotive services were concerned.

“Between balancing work, family life and keeping a home, how many of us actually wish for more hours in a day? Or even just an extra 20 minutes for me-time at the end of a long week? With the Tiger Advantage Plus benefit programme, we empower you to take back your time and spend it doing the things you love,” says Farishta Singh – marketing executive at Tiger Wheel & Tyre.

Continuing, Singh adds: “From vehicle licence renewals, reduced traffic fines to pothole protection claims and more – we do it for you! Plus enjoy exclusive discounts on products and services at any of our Tiger Wheel & Tyre fitment centres nationwide. That’s what we call fast, efficient and personalised service that you can trust when it matters the most.”

As a limited time offer, Tiger Wheel & Tyre are giving customers a **free** three-month membership for one vehicle to the programme when buying any two or more premium brand tyres. Start saving today and let Tiger Wheel & Tyre help you free up your time, free up your wallet and free up the hassle.

This promotion ends on 6 March 2021. For more information and a full list of terms and conditions visit www.twt.to or follow the brand on Facebook, Twitter and Instagram using the handle @TigerWheelnTyre
