The BET Software "Dare To Dream" Bursary Programme, which is aimed at students in South Africa who are pursuing further education within ICT fields, at registered higher education institutions, is open for 2023 applications.

The students are selected based on merit. Candidates meeting the following requirements are eligible to apply:

- South African citizenship
- Completed Matric
- Studying or met admission to study towards a higher education qualification in the following ICT-related fields:
 - Information Technology and Information Systems
 - Computer Science
 - System and Network Administration
 - Software Engineering
 - Computer Engineering
 - Cybersecurity
- Studying or registered to study at a recognised higher education institute in South Africa
- Achieved a minimum overall average of 65% for current year of study

The "Dare To Dream" 2023 bursary programme offers full and partial funding, depending on academic results and field of study.

Because BET Software strongly encourages ongoing learning and development, once successfully completing their studies, bursary recipients can apply to join the BET Software Graduate Programme where they will have the opportunity to further their skills.

The closing date for applications is 31 October 2022. Interested students can [apply here](#).
