

Tiger Wheel & Tyre still number one - six years running

Issued by [Tiger Wheel & Tyre](#)

27 Aug 2010

The people have spoken and Tiger Wheel & Tyre has once again emerged as the first choice when buying tyres in KwaZulu Natal. In an independent demonstration of support, readers of KZN's Independent Newspapers voted Tiger Wheel & Tyre their favourite outlet in its given category by casting their votes for the annual "Your Choice" awards.

The highly coveted "Your Choice" awards are run annually by the Daily News, The Mercury as well as the Independent on Saturday and the Sunday Tribune, and measure the consumers best loved products and services throughout the KwaZulu Natal region. Readers' votes are tallied up and suppliers are given due recognition for their efforts.

Tiger Wheel & Tyre are pleased to announce that as per this year's results, the company has secured the number one slot as the "Best place to buy tyres in KZN" for the sixth consecutive year.

"We are thrilled that our KZN stores continue to have such a strong impact within the community," says Joe du Plooy, Marketing Executive at Tiger Wheel & Tyre. "Tiger Wheel & Tyre has maintained its number one slot for six years running now, a true testament to the outstanding product quality, service excellence and value for money offered by our stores."

Tiger Wheel & Tyre's presence in the KZN region is wide spread with ten stores situated in the area including: Ballito, Durban CBD, Empangeni, Pietermaritzburg, Pinetown, Port Shepstone, Richards Bay, Springfield, Umhlanga Gateway, and Amanzimtoti Arbour Crossing.

"While we are extremely proud of our stores and all the hard work that has gone into maintaining these high standards we would also like to thank our customers for continually coming out in support of the brand and remaining loyal patrons of Tiger Wheel & Tyre," concludes du Plooy.

To locate any of the above mentioned stores or to find out more about Tiger Wheel & Tyre's latest deals and services visit www.twt.to or log on from your mobile phone at mobi.twt.to.
