Thanks to Tiger Wheel & Tyre, peace-of-mind driving just got a whole lot better,

Tiger Wheel & Tyre has extended its X-Sure™ Tyre Insurance product to include coverage of used tyres. While X-Sure™ was previously offered on new tyres purchased from Tiger Wheel & Tyre, 'X-Sure™ for used tyres is the latest addition to this innovative product and is a welcome one to say the least.

Now, Tiger Wheel & Tyre customers have the option of being covered for irreparable tyre damage to the value of R 2500 per tyre, on all their tyres - irrespective of the tyre brand and the tyre outlet of purchase.

"X-Sure™ has proved to be an extremely advantageous product among the South African public, where road hazards result in extensive tyre damage. Customer service is a hallmark of the Tiger Wheel & Tyre brand and when our customers indicated an interest in cover for used tyres we were quick to respond," says Joe Du Plooy, Marketing Executive at Tiger Wheel & Tyre.

X-Sure™ Tyre Insurance is another one of Tiger Wheel & Tyre's valuable service offerings and has been a popular choice amongst drivers for over four years. The product, underwritten by *Hollard Insurance, provides customers with insurance against tyre damage caused by road hazards like potholes, broken glass, nails and the likes thereof.

"What makes X-Sure™ Tyre Insurance one of the more rewarding choices is the fact that your insurance cover is immediate and your premium is once-off. Added to this is the policy benefit of being covered for up to three years or 50 000 kilometres, whichever comes first," adds Du Plooy.
