Brand Experience & Activation Lions/Radio & Audio Lions/Social & Influencer Lions

The Unfiltered History Tour: Vice Media; Agencies: Dentsu Creative, Bengaluru, Mumbai, Gurgaon

Created by Vice World News, the Unfiltered History Tour offered new perspectives on the artefacts housed by the British Museum in London, narrated by people from the countries they were taken from. It won Grand Prix awards across three categories in total.

Creative Strategy Lions/PR Lions

The Breakaway: The first eycling team for prisoners, Decathlon; Agency: BBDO Belgium

This project from Decathlon allows prisoners to go on virtual rides alongside cyclists in the outside world. It won the Grand Prix in both creative strategy and PR.

Glass: The Lion For Change/Creative Data Lions

Data Tienda: WeCapital; Agency: DDB Mexico, Mexico City

Data Tienda allows Mexican women build a credit score – vital for bank loans – based on interactions with the local shops that have offered them informal credit for years. The project won the Grand Prix in both the Glass and Creative Data categories.

Industry Craft Lions/Media Lions

Hope Reef: Sheba/Mars Petcare; Agency: AMV BBDO, London

Hope Reef is part of a new project that pet food Sheba is embarking on, to help regrow coral reef. This film shows how the regrowth will look in five years' time, when the word 'hope' will be spelt out in new coral. It won Grand Prix in both Industry Craft and Media.

Film Lions

Two film Grand Prix gongs were awarded this year, to 4creative's epic Paralympics trailer and Apple's hilarious latest from the Underdogs. Directors were Bradford Young and Mark Molloy, respectively.

Super. Humans: Channel 4; Agency: 4creative

Escape from the Office: Apple; Agency/Production Company: Apple/Smuggler

Titanium Lions

Long Live The Prince: Kiyon Prince Foundation/EA Sports/QPR/Match Attax; Agency: Engine London

Created to raise awareness of knife crime, this campaign for the Kiyon Prince Foundation sees Prince, a promising QPR youth team footballer who was murdered as a teenager, recreated at the age he would have been now in FIFA and Match Attax.

Creative B2B Lions

Speaking in Color: Sherwin-Williams Coil Coatings; Agency: Wunderman Thompson Minneapolis

Speaking in Color offers those looking for paint colours the opportunity to search via voice. Customers can describe a memory or a feeling and the app will offer up colour solutions.

Creative Business Transformation Lions

Piñatex: Dole Sunshine Company/Ananas Anam; Agency: L&C, New York

Fruit and veg brand Dole and sustainability startup Ananas Anam won the Grand Prix for Piñatex, a sustainable leather substitute made from the cellulose fibres extracted from pineapple leaves, which has been used in collabs with over 200 brands, including H&M and Nike.

Creative E-commerce Lions

Thighstop: Wingstop, Agency: Leo Burnett Chicago

When a chicken wing shortage struck in the US, fast food brand Wingstop changed its name and branding to Thighstop for a brief period, to reflect a pivot to selling chicken thighs instead of wings.

Creative Effectiveness Lions

Contract for Change: Michelob Ultra; Agencies: FCB Chicago/New York

Michelob Ultra's programme to help farmers in the US switch to organic farming picked up the Creative Effectiveness Grand Prix.

Design Lions

Portuguese (Re)Constitution: Penguin Books; Agency: FCB Lisbon

Penguin Books invited writers and artists in Portugal to use blue pencils – a symbol of repression and censorship under Marcello Caetano's fascist regime – to create poems and drawings over copies of the fascist constitution and reclaim the

words as a symbol of freedom.

Digital Craft Lions

Backup Ukraine: Polycam x Unesco; Agency: Virtue Worldwide, New York

Backup Ukraine is an app created for Unesco which allows people to digitally scan architecture and monuments in Ukraine that are under threat of being destroyed in the war.

Direct Lions

Less Talk, More Bitcoin: Coinbase; Agency: Accenture Song, New York/Coinbase, San Francisco

Coinbase's Super Bowl ad, which featured a bouncing QR code, picked up the Direct Grand Prix.

Entertainment Lions

Eat A Swede: Ikea; Agencies: Colony Stockholm/Flx 2.0 Stockholm/MRM Bucharest

This mockumentary for Ikea appears to show Swedes eating lab grown human meat, in order to raise awareness of the impact climate change will have on the global food supply.

Entertainment Lions For Music

This Is Not America: ft. Ibeyi, Residente; Doomsday Entertainment, Los Angeles/Sony Music Latin, Miami

Residente's music video, directed by Greg Ohrel, addresses police brutality and greed, and acts as a loose follow up to Childish Gambino's This Is America video, a former Grand Prix winner at Cannes Lions.

Entertainment Lions For Sport

NikeSync: Nike; Agency: R/GA London

This app for Nike helps women sync their training to their menstrual cycle in order to maximise their energy and fitness.

Film Craft Lions

The Wish: Penny; Agency: Serviceplan Germany, Munich

Created for German supermarket chain Penny, The Wish was released for Christmas 2021 and reflects on the impact the pandemic had on young people. The director was Marcus Ibanez.

Grand Prix For Good

Save Ralph: Humane Society International; Production Companies: AllDayEveryday/Arch Model Studios/Vespa Pictures

Featuring voiceovers from stars including Taika Waititi, Zac Efron and Ricky Gervais, Save Ralph aims to raise awareness of cosmetic testing on animals.

Grand Prix For Good – Health

Lil Sugar – Master of Disguise: Hip Hop Public Health; Agency: Area 23

This short film uses rap to help educate kids about sugar, and the many forms it can take.

Health & Wellness Lions

The Killer Pack: Maxx Flash; Agency: VMLY&R, Mumbai

Indian mosquito repellent brand Maxx Flash created special packaging for its product. It will kill mosquito larvae when disposed in garbage dumps, which are major breeding grounds for mosquitos.

Innovation Lions

One House To Save Many: Suncorp Group; Agency: Leo Burnett Sydney

Insurance company Suncorp Group created this prototype house as a testing ground to explore the affects of extreme weather and help design more resilient homes.

Mobile Lions

Real Tone: Google; Agencies: Google/T Brand Studio, New York/Wieden + Kennedy, Portland/Gut, Miami

Lizzo stars in this spot created for the Super Bowl. It demonstrates Google's Real Tone technology, which introduces new software to its camera phones to better capture darker skin tones in photos.

Outdoor Lions

Liquid Billboard: Adidas; Agency: Havas Middle East, Dubai

This 'swimmable' billboard aims to encourage women in the Middle East to be more comfortable swimming in public and promote Adidas' inclusive swimwear collection.

Pharma Lions

I Will Always Be Me: Dell/Intel; Agency: VMLY&R, New York

Created for those living with motor neurone disease, this software will help people 'bank' their voices for use after they have lost the ability to speak, which occurs as the disease progresses. The process of recording the voice is simple and only asks them to read a specially designed book out loud.

Print & Publishing Lions

The Elections Edition: Annahar Newspaper; Agency: Impact BBDO, Dubai

When the Lebanese government announced there was a shortage of ink and paper to print election ballots – meaning less people would be able to vote – the AnNahar newspaper ceased publication for a day and donated the paper and ink from unprinted edition to the government in order to print ballot papers.

Sustainable Development Goals Lions

The Missing Chapter: P&G Whisper; Agency: Leo Burnett, Mumbai

Part of Whisper's #KeepGirlsInSchool initiative in India, this campaign aims to help educate girls about menstruation, a taboo subject in the country and a major reason why girls drop out of school at puberty.
