

Mettlestate announces partnership with nxD

Mettlestate, e-sports and gaming authority has partnered with nxD, a digital media agency. The significant financial and resource investment into Mettlestate has produced a collaboration that is great news for gaming.

There will be new series of tournament and gamers stand a chance of winning daily, weekly and bi-monthly cups with prize pool from R1,000 to R10,000. All cups are open to gamers globally. For more information about the tournaments and participation, visit Mettlestate's [website](#).
