

Total Exposure and Cinevation wins BritBox South Africa account

Total Exposure and Cinevation have been appointed as the public relations and media agencies for BritBox, a subscription video-on-demand (SVOD) streaming service that is being launched in South Africa.

The launch of BritBox in South Africa will see the British content made available to South Africans to stream at a competitive monthly price.

Visit BritBox's [website](#) for updates on its launch in South Africa.
