

Splash out in Knysna

Splash PR has launched an office in Knysna to complement its operation in Cape Town, and to offer a point of contact for clients and the media based on the Garden Route.

Splash PR's first Garden Route account was Gastronomica Knysna, a ten-day festival showcasing organic produce, international and local chefs, cookery demonstrations and workshops.

Splash PR's portfolio includes global athletic brand PUMA, @home the homeware store, Breedekloof Wine and Tourism, chic city restaurant and bar Relish, Oregon Scientific gadgets, Tokara winery and annual events: the SAA Cape Town Flower Show and the Breedekloof Outdoor Festival.
