

New art, design and culture bi-monthly launching

Contempo, a new arts, design and culture magazine launches on April 1 (no joke), at the Klein Karoo Nasionale Kunstefees, Oudtshoorn. A bi-monthly, *Contempo* is aimed at a niche market across all cultures – with art, design and culture under one roof. It recently held a glamorous pre-launch event at the stylish new Craighall Park residence of artist Gerard Batha, with judge Albie Sachs as guest speaker.
