

***Forbes Woman Africa* LWS looks at the \$1trn female economy**

To celebrate UN International Women's Day on 8 March 2018, 120 of South Africa's most influential women gathered at third annual *Forbes Woman Africa* Leading Women Summit (LWS) in Rosebank, Johannesburg. Prof. Thuli Madonsela, Dr Rolene Strauss, and Vivian Onano were some of the women who contributed to the summit's 'the trillion dollar female economy' theme.

LWS also featured a panel discussion with c-suite executives on the role of women in leadership.
