

NMF, TPAM to make Mandela Presidential Centre a reality

The Nelson Mandela Foundation (NMF) alongside the Thebe Property Asset Management (TPAM) and Thebe Tourism Group (TTG) will convert former President Nelson Mandela's Houghton residence into a multi-purpose facility. The Mandela Presidential Centre project's professional team, led by TPAM, also includes Maru Spaces Architects; Kim h Interiors; Aurecon and MWV Engineers; GD Irons Construction; Kiwango Quantity Surveyors and Upper Level Town Planning. Khensani Heritage Consulting will be managing the preservation of Madiba's heritage on the site.
