

Download Sunday Times app for Apple, Android mobile

The *Sunday Times* has launched a new app for Apple and Android mobile devices, delivering faster download speeds with lower bandwidth consumption, enhanced functionality, a redesigned look-and-feel and more audio-visual content.

The new app is included in the Sunday Times Platinum Plus subscription package of R107 per month, which includes digital and print delivery of *The Times* and *Sunday Times* newspapers. The Sunday Times app can be downloaded via the Apple iStore and Google Playstore by searching 'The Sunday Times Plus'.
