

## Get your mobile fix with i2

With new mobile models being unveiled every year, most of us can't keep up or are stuck with a contract phone for what can seem like an eternity. But now it's easier than ever to get your very own iPhone thanks to i2, South Africa's online retailer for Pre-Loved iPhones.

For more information or to purchase now visit [www.i2.co.za](http://www.i2.co.za).
