

Justin Hartman to present at BarCamp Nigeria

South Africa's Justin Hartman will be speaking at the BarCamp being hosted in Lagos, Nigeria. BarCamp is an international network of user-generated conferences open, participatory workshop events, with content provided by participants. BarCamps Nigeria will take place on Saturday, 25 April, 2009. Hartman is the MD and co-founder of Afrigator - an African social media aggregator and blog directory. He will be presenting the new open source Afrigator offering at the BarCamp. For more about BarCamp Nigeria, go to www.barcampnigeria.com.
