

Tsogo Sun encourages growth with entrepreneurial platform

The recent Tsogo Sun Supplier Showcase, which was hosted at Tsogo Sun's Gold Reef City on 21 June 2017, provided market and development access for small, medium and micro enterprises.

More than 100 exhibitors showcased their products and services to buyers from within the Tsogo Sun group, its majority shareholder HCI, and to a wider corporate audience, which included industry sectors such as accommodation, cleaning services, tour operators, arts and crafts, hotel amenities, linen, sewing, upholstery, catering, food and beverage products, equipment hire, spa treatments, signage, printing, stationery, recycling, maintenance and garden services.

The showcase takes place annually around the country and forms part of the group's efforts to encourage and support emerging businesses.
