“The best creatives in the world inspiring the best creatives in the region.” That’s how Fahmeeda Cassim Surtee, Marketing & Sales Director DSTV Media Sales, describes the DSTV Seminar of Creativity during Loeries Creative Week in Durban on Friday, 18 August.

Now in its fifth year, the seminar is a highlight of Loeries Creative Week for everyone across the industry.

“This is the only opportunity of its kind for our local creative community to be directly exposed to such international thought leaders. We’re thrilled to continue to host some of the world’s leading creative minds at our seminar,” says Andrew Human, CEO of Loeries Africa Middle East. “There is no other seminar in our region that hosts seven world-class speakers of this calibre all on one day.”
