Job description

Most importantly we need to create a customer profile in order for us not to have a non-interested audience so this can not lead to a wasted time and also closed deals. put your head out.

As a company we need to give what the customers want . That is the aim , to deliver what we said we will give. As a candidate you need to make sure that this gives a clear direction at all times.

Advantage :

- Team direction
- Sales
- Get to know who to avoid and who to go after

It empowers you to serve customers better , knowing also that the customer is a key to serving them better by conducting a proper needs analysis, affordability and behavior . Do you think you have all the qualities that is needed ? give us all this and i bet you a great win. Take that phone and apply for this job granted.

It reduces lapss , NTU'S and non collections.
