

Senior C# Developer - Back End

Location:	Pretoria
Remote work:	Some remote work allowed
Type:	Permanent
Reference:	#PM58948
Company:	E-Merge IT Recruitment

Looking for a challenge that will get your heart racing? I am on the hunt for a daring, thrill-seeking tech wizard in their prime, eager to spice up their routine while supercharging systems. As a Senior C# Sorcerer, you will be conjuring up innovative solutions and leading the charge in a fast-paced environment, all while mastering the art of the .NET stack and SOLID principles.

But wait, there is more! This is not just any job. You will be the hero of the coding realm, boosting team's power and bringing new ideas to life. Plus, you will enjoy the best of both worlds with their hybrid work setup and other awesome perks.

If you are ready to dive headfirst into the world of tech with a team that works hard and plays hard, we want you on our side! Apply now and let the adventure begin.

Here is what you need to secure an interview:

- Over eight years of hands-on experience in developing with C#, .NET Core, SQL, Web API, and RESTful API
- Expertise in SOLID Design Principles, including SRP, Open/Close, LSP, ISP, and DIP
- Strong understanding of Object-Oriented Design (OOD) and a keen interest in creating code that is flexible, scalable, maintainable, and reusable
- Extensive background in Microservices architecture, with a track record of implementing such solutions in previous projects
- Proficiency in managing MongoDB and SQL databases
- Recognized for your diligent work ethic and ability to thrive in collaborative team environments without requiring close supervision

The Reference Number for this position is **PM58948** which is a **Permanent, Hybrid** position based in **Centurion, Pretoria** offering a cost to company of up to **R1 Million** negotiable on experience and ability.
