

Senior Full Stack C# Developer

Location:	Johannesburg
Remote work:	Some remote work allowed
Type:	Permanent
Reference:	#PM58664
Company:	E-Merge IT Recruitment

Hey there, tech maestro! Do you dream in C# and wake up thinking about cutting-edge software development? If yes, then hold onto your hats because we have got an offer you cannot resist!

We are on the hunt for a senior full stack C# developer extraordinaire to join our team in vibrant Johannesburg; and guess what? We are all about that hybrid work life – part office, part home, all awesome!

As a coding ninja, you will be cooking up some seriously cool stuff. We are talking revolutionary products and solutions that will make your developer buddies green with envy. The best part? You will be diving deep into the Microsoft stack, flexing your C# muscles and SQL skills like a pro.

If you are itching to level up your career and you tick all the boxes below, what are you waiting for? Hit that apply button pronto!

Skills you'll need to slay:

- C# (Obvious)
- .NET Core
- ASP.NET MVC
- React
- React Native
- SQL
- Web API
- JavaScript

Are you the chosen one?

- A degree in computer science, information technology, or something equally fancy
- At least four years of kicking butt as a full stack developer

The Reference Number for this position is PM58664 which is a Permanent Hybrid position based in Sandton offering a cost to company of up to R900,000 per annum negotiable on experience and ability.
