- Prepare financial reports, lead month-end closing and conduct monthly forecasts.
- Develop and implement budgeting, forecasting and reporting plans.
- Manage debtors and customer accounts.
- Attain optimal equity-debt balance for cost minimisation and operational profit maximization.
- Offer financial insights to drive organisational performance.
- Supervise metrics, KPI tracking and reporting.
- Evaluate company financial performance.
- Ensure compliance with tax and financial reporting standards and aid in cash flow forecasting.
- Advise management on financial decisions.
- Oversee documentation of financial status and forecasts.
- Manage assets.
- Assess and mitigate financial risks.

Requirements:

- Bachelor's degree in accounting or equivalent.
- Proficiency in Microsoft Office, Pastel Partner, Pastel Evolution and financial planning software.
- Excellent time management and prioritisation skills.
- Thorough understanding of Generally Accepted Accounting Principles (GAAP).
- Strong analytical and problem-solving capabilities.
- Meticulous attention to detail and superb organizational skills.
- Ability to thrive under pressure and meet deadlines.
- Capacity to work independently and collaboratively.
- Outstanding report-writing and communication abilities.
- Commitment to highest ethical standards.

Please note only candidates with the required experience will be contacted and considered. If you are not contacted within 14 days, kindly consider your application unsuccessful.
